ENVIRONMENTAL DEVELOPMENT

P.O.Box 234160 Encinitas, Ca. 92023

Encinitas, December 12, 2007

To whom it may concern,

I would like to recommend Guylaine Robert RN for the care of your loved ones. Guylaine has taken care of both my parents when they were ill. Her services have made a positive effect on their care and she really helped our family through those difficult times.

Sincerely,

Bradley Smith, Environmental Developer, Encinitas.

A handwritten signature in black ink, appearing to read 'Bradley Smith', with a long horizontal flourish extending to the right.
