Dear Guylaine,

Hope this helps on your website! Please feel free to edit.

Come visit us more often. I hope, in time, those we send to you will also spread the word about your new business.

Happy Holidays!

I am delighted to share my experience with Guylaine and highly recommend her. She provided caring, very thorough and personal attention to my father while he lived at Villa Encinitas in her assisted living program. Dad enjoyed every minute with her and I felt completely comfortable with him in her care. She has years of professional experience in our local geriatric medical community and is a great referral and assessment resource for families looking to improve quality of life for their loved ones. I can't thank her enough for all she did for Dad and our family.
